New York, N. Y.

Gentlemen:

We are contemplating the decorating of a bank in Philadelphia and would like very much to know if you could advise us where we might secure data on the Evolution of the American Coin illustrated. What we want is a book on the American Coin from the very beginning up to the present time.

Any information you can give us will be greatly appreciated.

Thanking you, I remain

Very sincerely yours,

D/DU

Mr. Nicola D'Ascenzo,  
The Ascenzo Studios,  
Philadelphia, Pa.

Dear Sir:

Responding to yours of the 24th, I would refer you to Crosby's Early Coins of America and Hickcox's The American Coinage; also Dickeson's American Numismatics. If these do not meet your need, and you will be ~~apreci~~specific, I shall try to answer you in greater detail.

Very truly yours,

Secretary
